The big idea. 7

---

## **Part I: Understanding the basics. 15**

---

Job dissatisfaction destroys; engagement builds. 17

A focus on more than profits leads to long-term success. 27

Workers build your brand. 37

Money doesn't make our world go round. 53

Three different organizations. 69

---

## **Part II: Our human needs. 77**

---

What do we need to be happy, engaged, and productive? 79

And this means exactly ...? 93

---

## **Part III: S.P.A.C.E.S. 101**

---

S is about Salary. 103

P is about Purpose. 113

A is about Autonomy. 129

C is about Competence. 147

E is about Environment. 171

S is about Strategy. 199

---

**Part IV: Other important considerations. 215**

---

What about Management?	217
What about Hiring?	231
Final Thoughts.	242

---

**Part V: Organizations in search for a better way. 245**

---
